Memo To: All Bidders of York County RFP #1892/8-11-09
From: W. F. White, Director of Purchasing 
Subject: RFP Status
Date: November 18, 2009

Sealed RFP's were accepted August 11, 2009 for a Live Scan, or equal, finger and palm print system for use by the Sheriff's Office.

Due to an inadvertent oversight of fully specifying a necessary product specification, staff feels that it would be in the best interest of the county to reject all proposals submitted, revise the specifications and solicit new proposals.

Therefore, the staff will recommend to the York County Council at their December 7, 2009 meeting to reject all proposals. I will notify you after the County Council meeting to verify that the proposal was rejected.
